Hello from your new STARBRITE editor:

Hello again and Happy New Year for 2013. Remember how wary we all were at the prospect of turning the century just a few years ago afraid that the computer world at least would come to an end? And look at us now still going strong even after the Mayan prediction of the end of the world. We are survivors!!

Our latest production of Peter Mansell's play, "Waiting For Father Anthony" was a huge success with a four-performance run at the Woolwich County Community Centre in St. Jacobs. Ticket sales went well, cast and crew marvelous, and there even were hints about a possible sequel (featuring the same characters). How about it Peter?
